Search

- ❑ Motorul de căutare avansată permite căutarea de documente, în funcție de diferite criterii. Pentru început, se vor completa câmpurile destinate cuvintelor-cheie, se vor crea legături între ele prin operatori logici, iar apoi se va selecta unul dintre criteriile după care se va face căutarea.
- ❑ Pentru a rafina căutarea, se va selecta și un interval temporal sau un domeniu de interes.
- ❑ Pentru afișarea exclusivă a rezultatelor cu acces la textul integral, trebuie selectată opțiunea „Subscribed publications”.

Lista de rezultate

- Rezultatele căutării pot fi sortate după diferite criterii 1. Rezultatele obținute se pot salva 2.
- Prin selectarea articolelor de interes, se pot exporta totodată și referințele aferente lor 3.
- Pentru fiecare rezultat, se poate previzualiza rezumatul 4 sau se poate accesa textul integral 5 (în format PDF).
- Caseta de reorganizare a rezultatelor obținute 6.

Highlights

- Burden of *Cryptosporidium* and microsporidia in feral horses was determined by PCR.
- Feral horses host the zoonotic species *Cryptosporidium parvum*.
- Feral horses host horse-specific *E. bieneusi* genotype horse 1.
- These species from feral horses also are found in horses managed closely by humans.

Register

Registration is quick and free. It allows you to personalize these Elsevier products if you have access. For example, you can stay up-to-date with Search Alerts or keep track of your research with Saved Searches.

This registration form uses Google's new reCAPTCHA test to prevent use by robotic programs. The new reCAPTCHA is designed to be simple and accessible. A significant number of users will pass the reCAPTCHA challenge without having to solve a CAPTCHA. Instead, with just a single click they'll confirm they are not a robot. For the visually impaired, reCAPTCHA provides an audio CAPTCHA option. To register without completing the reCAPTCHA test, please contact Elsevier Customer Support.
